

## Kingdom Living – Compassion

Date: Sunday 9<sup>th</sup> July 2017

Speakers: Elaine Webster, Joanna Ramdas-Harsia

Key Verses: Luke 4:18-20

### Summary

We looked at compassion this Sunday through the eyes of Jesus in the sermon on the mount and Isaiah. Both speakers thought about how we reflect the cry of God's heart in our lives and how we can align our lives to that cry.

### Activities & Questions for small groups

- Rich Nathan from Columbus vineyard has an excellent [preach on Luke 4:18-20](#) that explores how we can grow our hearts to reflect God's heart. You may want to watch it to explore this idea further.
- Ask each person to reflect on their lives and how they show compassion to others.
- What did God put on their heart as they heard the talk?
- Is there an area of compassion ministry they would like to step into?
- Is there something new they would like to start?

### To think about this week

Elaine posed the challenge to ask ourselves, 'what have I done for the least, the last and the lost this week? Take this question away and think about it when you have quiet times with God this week.
